I'm eager to apply for diverse job opportunities across different industries, where I can acquire, utilize and develop my skills while demonstrating my expertise along the journey.

I'm an aspiring Data Analyst and want to take job opportunities to gain relevant knowledge and experience.

Work Experience

Retail Sales Associate

Amelita Clemente-Mexico

2020 to 2022

- Delivered personalized customer service by identifying and responding to individual preferences, boosting customer satisfaction and repeat business.
- Managed product inventory and coordinated supply restocking to ensure consistent availability of popular items.
- Promoted seasonal and new products to drive sales and meet store targets.
- Maintained a clean and organized display area to enhance the shopping experience and brand presentation.
